

ABOUT CLARVIEW NURSING & REHABILITATION CENTER

A Caring Family Atmosphere... that is what we offer at Clarview for our residents and employees! The benefits of working at Clarview include meaningful work, connection to a mission, and the caring relationships you will develop with the staff and residents around you. Join the team effort to put residents and their families first and learn skills that are valuable as you advance in your healthcare career!

Clarview, a skilled nursing and rehabilitation center managed by Affinity Health Services, is located at 14663 Route 68, Sligo, PA 16255. Country Springs, a personal care community, is also part of the Clarview family.

WHAT IS A NURSE AIDE?

A Nurse Aide - or Care Nurse, as the position is titled at Clarview - is a very caring person who sees the purpose in his/her life as giving care and assistance to residents so they may be comfortable, safe, and in the best state of wellness that they can be. Our Care Nurses always work under the supervision of a licensed nurse. If you are selected to join our Nurse Aide Training Class, you will join Clarview as an employee when orientation and the class begin.

WHY APPLY?

- Learn valuable and marketable job skills.
- Start a career in the healthcare industry.
- Become an employee at Clarview Nursing and Rehabilitation Center.
- Make a difference daily in the lives of our residents!

PAID!

The training will prepare you to sit for the certification exam and, upon passing, become a Nursing Assistant at Clarview. If selected, the following are covered by Clarview:

- **PAID** training.
- **PAID** exam fees.
- **PAID** full-time wages during training.
- **PAID** increased wage once you pass the certification exam.
- **PAID** pre-employment drug testing, physicals and background checks as required by the Department of Education.

DETAILS

- Monday 11/11/19 thru Tuesday 12/10/19. No class on WED 11/27, THURS 11/28 and FRI 11/29.
- Class, lab and clinical will be from 7AM to 3PM each scheduled day onsite at our Route 68 location above.
- Students cannot miss class during the first 3 days and cannot miss more than 2 total days. Clinical days missed must be made up and are based on the availability of the instructor.
- Students must wear scrubs (top and pants) and have a wristwatch with a second hand.
- Students are expected to dress for success, be well-groomed, prompt, and engaged in learning.

NURSE AIDE TASKS

Measuring and recording vital signs; bathing, dressing, and toileting; catheter care; feeding/serving residents; range of motion exercises; assisting with turning and positioning; assist in transporting residents in wheelchairs and ambulation with walkers and canes; bed making and keeping resident belongings neat and organized; infection control and safety awareness. Most importantly, talking with and listening to our residents!

TO APPLY

Interested candidates can apply at www.clarviewnursing.com/employment or stop in and complete an application.

TO PREPARE

Give some thought to the following, especially if you are selected for an interview for the training:

- Why are you interested in the becoming a Nurse Aide? How does the training and the job fit into your career plans?
- What current skills do you have that will prepare you to be successful in the training and in your future career?
- What work experiences do you have that have sparked an interest in working with seniors and in healthcare?

QUESTIONS? Contact Crystal Over, RN Staff Development Director at cover@clarview.care or 814-745-2031 x276.

THANKS for your interest in joining the team at Clarview!
